Joint Armed Force Hit

Continuance of a separate Army, Navy and Air Force will be urged in a resolution to be considered here by the Naval Reserve Assn. during its 7th national conference, beginning Wednesday.

The association's national president, Capt. A. Winfield Chapin, retired Long Beach reservist, said the resolution will be sent to President-

elect John F. Kennedy—if it is approved.

Capt. Chapin said the resolution will oppose the single joint service concept as proposed by the Air Force Association at its annual meeting here in September.

Speakers at major event to be held in the St. Francis Hotel will include Assistant Secretary of the Navy Rich-

ard Jackson, Fleet Adm. Chester W. Nimitz, Vice Adm. Charles L. Melson, First Fleet commander, and Vice Adm. John S. Thach, commander of Pacific Anti-

submarine Forces.

Speaking on the Communist threat in the Americas and Cuba at a joint luncheon meeting of the Commonwealth Club in the Sheraton Palace Hotel Friday will be

Lyman B. Callahan, Jr., inspector-general of the Central Intelligence Agency.
